### **Building Connections**

Patrons: Lord Herman Ouseley & Professor Trevor Williams

#### 2012 Recognition Awards Dinner

In October 2012, around 100 guests turned out from the Black community to honour a cohort of professional men and women from a range of disciplines. Everyone was proud to witness the many Awards which were presented to them in recognition of their extraordinary contributions to Reach Society and our young people.

Two further high points of this enjoyable evening were the naming of Professor Trevor Williams, University of Derby, & Chief Economist, Lloyds Bank Wholesale Markets, as the newest patron for Reach Society; and the presentation by Jeremy Adam, Lloyds Banking Group, of the Community Fund winner's certificate for London southwest to Reach Society.

Several professionals were honoured with Supporter of Reach Society Awards for their unselfish work on 11 April 2012 for reaching back to encourage, motivate and inspire some 400 young people, and their parents, at the first Careers Conference, held at HMS President (the building).

Two exceptional professionals, Grantley Yearwood and Robert Neil, were honoured with Fellows of Reach Society Awards for their sustained meritorious contributions to Reach Society. In fact Robert was one of the cofounders of the Society, and Grantley was a member of the management committee, where he served as the first programme director for the outreach work with young people.

Lord Herman Ouseley was honoured with a Champion of Reach Society Award, the highest honour possible, for his inspirational backing of the work of the Society as its first patron.

The list of professionals honoured is given below; and they shall be known as the Professional Class of 2012.

We should also note that a cohort of organisations and firms was also honoured with Corporate Supporters of Reach Society Awards for their collaboration with the Society; and chief among them were the Royal Navy and Welbeck FE College.

This short report would not be complete without a heartfelt thank you to the master of ceremony Conrad Peters, for his extra-ordinary work to make the evening both enjoyable and memorable.

We also express our deepest thanks to George Ruddock, editor & MD, The Voice newspaper; Ms Diane Edwards, general manager, J Wray & Nephew UK; and Dr Patrick Marshall, assistant dean, KSS Deanery, University of London for presenting these Awards.

Dr Dwain A Neil, Chairman
